Assistant Attorney General, Mona Baskin, appeared representing the State in this matter. Licensee did not appear.

Assistant Attorney General, Mona Baskin stated that in this case the State filed a motion to deem in this case after licensee did not respond to the complaint. Board staff made repeated attempts to contact the licensee with no response. In this case the state satisfied what was required, the complaint was mailed out both by certified and regular mail and the certified mail was returned and the regular mail was not returned. To date the Board has not had any communication with the licensee despite numerous attempts to contact and the motion to deem was filed based on the non-response from the licensee. In addition the licensee sent a message to the state and Board that she no longer wishes to participate in the process.

Assistant Attorney General, Mona Baskin stated on behalf of the State respectfully asks that the factual allegations be deemed admitted, to revoke the license, impose civil penalty of \$150.00 and Board costs. We believe this is appropriate and best to protect the public.

Lori Brown Counsel for Beauty Nation stated that they have a Consent agreement that they would like to discuss with the Board and negotiate.

Mona Baskin Assistant Attorney General stated that in lieu of a Formal Hearing on behalf of the state she has worked with the licensee in this case along with Attorney Lori Brown and have come to a consent agreement that will resolve the two pending cases as well as all six of the pending matters. This will bring finality to the matter and both parties discussed and came up with a resolution with what would be best in this case. In this case the licensee has agreed to voluntarily surrender the license, Ms. Castro has agree to not participate in owning a school or serving as an instructor. This also protects the public because it requires under the law for resolution to provide documents and information to the Board for the school closure and to assist the students moving forward. There is also a penalty involved in this case of \$1,000.00 civil penalty and all Board costs not to exceed \$500.00 and to be due within ninety days. Mona Baskin stated that she has spoken to Lori Brown and Yuriana Castro and believes they have brought with them the school license to submit in the event the Board does except this consent agreement. Mona Baskin stated that it is the state's position it will bring justice, it will
